1. A new arterial road of strategic importance is to be built which will connect Budapest with the southwest and Yugoslavia. It will be a type of autobahn, and will bypass all difficult terrain and traffic obstructions. It will run from Budapest to the Drava through Sarbogard, Dombovar and Pecs.
2. Surveying operations have already begun, but it is not yet known how much of the old roads is to be widened and improved, nor which sectors are to be newly constructed. Construction work is to begin as soon as possible depending on favorable weather conditions.
